Dear Teacher,

NPMAC self-development program instills in our young students the qualities that will help them throughout their lives. These qualities include:

After several months of hard work and dedication the student above is testing for a new rank level. When our students enroll, we insist that they strive hard to perform well in their schoolwork. In that regard, please circle this student's performance in the areas below.

Should this student's schoolwork fall below your expectations we will postpone the test until a later date. If you have any questions, please feel free to call us at (805) 499-9033. Would you like to attend the testing and meet our staff? We would be honored to have you at the test!
