WEEK 2: CHARACTER DRILL ON TEAMWORK

AGE-SPECIFIC CHARACTER DRILL FOR AGES 5 to 7

DRILL: BUILD A TOWER

"When you have teamwork, you understand how to work together. In this drill, you are going to work with your partner to stack as many pads in the air as possible."

Steps:

1. For this drill you will need stacks of pads such as slammer targets and/ or small square targets. If you have more than 8 students in class, then you are going to need stacks of targets for several lines.
2. For each line, one pair will stack as many pads on top of each other while following these instructions:
3. They will take turns stacking one pad at a time.
4. As they place a pad on the stack, they must count to 5 before their partner can stack another pad.
5. When the stack falls, then they are done and must go to the end of the line.
6. Repeat the drill until every pair has a turn.
