

Dear _____,

Today's ELF SKILLZ Lesson is all about Creativity – Create something for a family member!

Do you know what creativity means? It means to use your imagination and make something like an art project.

When you create something, then you are sharing your imagination.

Let's find out how you like to be creative!

Do you like to...

- Draw pictures?
- Color in coloring books?
- Build things?
- Paint objects?

Today I challenge you to create something and give it to a relative!

*If you accomplish this task, then you will get 5 points, and remember, when you have **20 points** you get a prize!*
