

Dear _____,

Today's ELF SKILLZ Lesson is all about Loving – Love Your Family!

Being loving towards your family shows them you care, and makes their day even brighter!

When you are loving then you show you care with hugs, and avoid being mean such as hitting or saying rude things.

Are you loving if...

- You give your family a big hug when they visit?
- You hit your Papa if he says something you don't like?
- You say sweet things such as 'I love you Papa'?
- You give your grandparents compliments such as 'I love going to the park with you!'

Today I challenge you to be loving towards your family. Give them hugs, say nice things, and avoid being mean.

*If you accomplish this task, then you will get 5 points, and remember, when you have **20 points** you get a prize!*
