ETHICS

Ethics are a big part of who you are. They help determine the actions you take and the decisions you make. Your ethics are your moral compass pointing you in a certain direction. It is important that you have strong ethics to help guide you in the right direction. Try the tasks below to help build strong ethics.

- ☐ Talk to your parents about what you think good ethics are
- ☐ Think of a time you had a tough decision to make. Did your ethics help you to make that decision?
- ☐ Volunteer for an organization with a cause important to you
- ☐ Do a random act of kindness for somebody you care about
- ☐ At your next martial arts class, ask your instructor if there is anything you can help with
- ☐ _____
- ☐ _____
