

Our main objective at Wu-Yi Taekwondo is to develop well-rounded students, not only at our school, but in society as well. Our school teaches the principles of living a healthy life. Not only do students become martial art masters, but they also strive to become academic masters and eventually develop an attitude of constant achievement. In order to promote our student's progress toward these goals, we respectfully request that you complete the following form. One box per 2 month term.
