Important information to note when applying for this Student service:

All Elite Martial Arts Students are able to temporarily freeze their Program's remaining time when they know in advance that they will not be able to attend class at Elite Martial Arts for four (4) consecutive weeks or more. If less than four (4) weeks, Student may instead attend extra classes to make-up the ones he/she missed. Students must give at least two (2) business days notice prior to freezing their Program's time. The *Extended Time Guarantee* freezes the **TIME** of the Program, not the payments. If Program is being billed monthly, the monthly payments will continue as scheduled (per the Student Agreement) until the Program is paid in-full. The Program will simply be extended by the same period of time that the Program is frozen (whether billed monthly or already paid-in-full).

Program Time-Freeze Service Conditions:

- To qualify for a Time-Freeze, account must be current and up-to-date.
- Program's Time-Freeze cannot be backdated.
- If you later wish to extend or shorten this Time-Freeze Request, notify us in writing or via email to: info@EliteMartialArtsFlorida.com
